

Spotlight: COVID RELIEF GRANTS FROM FIRST 5 MARIN

First 5 Marin Children and Families Commission is pleased to announce the immediate availability of COVID-related grants for our community partners serving young children and families in Marin County. As approved by the Commission on January 20, 2021, this grant process is intended to be easy and flexible, and to provide quick relief for unfunded COVID-related costs.

WHAT: Cash grants of **\$500 to \$10,000** are available to people or organizations serving children prenatal to age five and their families in Marin County. The total available is \$75,000 for all grants.

WHEN: **Apply by Monday, February 8, 2021.** The commission will review and approve grants by their next meeting on Wednesday, February 17th. Recipients will be contacted soon afterwards to make arrangements for immediate payment.

HOW: Complete a simple one-page application explaining the unfunded COVID-related costs you have incurred or unfunded COVID-related expenses you are facing in your office/work/services/program serving young children and families in Marin. **Visit the link on our website for the application.** Email your completed application to: Michelle@First5Marin.org.

ORAL HEALTH!

Make an Appointment! February is Children's Dental Health Month

During the month of February, we are reminded to focus on children's dental health. Let's make sure our kids are brushing and flossing twice a day, avoiding sugary beverages and eating healthy foods. Also, we all need to see the dentist! If you don't have an appointment, make one. If you have one, keep it! #SMILEcalifornia and #SMILEmarin!
